Non-Glass Materials:

- Metallic Gold Paint Pen
- String or Cord

Placement Order:

Bird Tail and Crest: F1 Black

Bird Beak: F1 Orange Opal

Berries: F1 Flame Opal

Bird Body: F2 Flame Opal

Bow: F2 Apple Jade Opal

Snow Flocking: Valcox Heavy White

Wreath: F2 Light Green Transparent

Instructions:

Fill the ornament with color frit in the order detailed above. Once the colors are in place, make sure the icicles are clear of any color before filling them and the remainder of the ornament with F3 Clear until full. If using fill weights, this is about 125 grams of frit.

Transfer to a level shelf in the kiln and fire to a **Full Fuse**. Once cool, carefully remove the glass from the mold and add the eye and details to the bird with Gold Paint Pen. Then string up and display!
